

LIST OF TRAINING TOPICS

Sr. No.	TOPIC	DURATION
1.	Awareness Training on ISO9001, ISO14001, OHSAS18001, ISO45001, ISO13485, ISO27001, IATF16949, ISO/IEC17025, ISO15189, ISO50001, AS9100, SA8000, ISO22000/HACCP, TL9000.	One/ Half day
2.	Internal Auditors Training on ISO9001, ISO14001, OHSAS18001, ISO45001, ISO13485, ISO27001, IATF16949, ISO/IEC17025, ISO15189, ISO50001, AS9100, SA8000, ISO22000/HACCP, TL9000.	Two days
3.	Advanced Product Quality Planning (APQP)	One day
4.	Production Part Approval Process (PPAP)	One day
5.	Failure Mode & Effect Analysis (FMEA)	One day
6.	Measurement System Analysis (MSA)	Two days
7.	Statistical Process Control (SPC)	Two days
8.	Problem Solving Approach	One day
9.	7 QC Tools	One day
10.	Continual Improvement	One day
11.	Corrective and Preventive Actions [CAPA]	Half day
12.	5S [House Keeping]	One day
13.	Design of Experiments [DOE]	Two days
14.	Analysis of Variance	One day
15.	Mistake Proofing [Poka Yoke]	One/Half day
16.	Cost of Quality	Half day
17.	New (Modified) Seven QC Tools [M7 Tools]	One day
18.	Total Productive Maintenance	Two day
19.	Six Sigma Awareness	Two days
20.	Six Sigma Green Belt	Four days
21.	Statistical Tolerance	Two days
22.	Project Management	Two days
23.	Quantitative Process Management	One day
24.	Total Quality Management	Three days
25.	Development of Jishu Hozen (Autonomous Maintenance)	One day
26.	Development of Kobetsu Kaizen in shop floor	One day
27.	KAIZEN	One day
28.	Just in Time [JIT]	One day
29.	KANBAN	One day
30.	TEIAN Suggestion System	Two days

Sr. No.	TOPIC	DURATION
31.	Development of Quality Maintenance	One day
32.	Development of Planned Maintenance	One day
33.	Awareness on Good Manufacturing Practices (GMP)	One day
34.	Supplier Chain Management	One day
35.	Benchmarking	Half day
36.	Interpersonal Skill	One day
37.	Time Management	One/Half day
38.	Motivational Skills	One/Half day
39.	Communicational Skills	One/Half day
40.	Team Work	One/Half day
41.	Leadership Skills	One/Half day
42.	Conflict Management	One/Half day
43.	Software Quality Management	One day
44.	Software SEI -CMM	Two days
45.	Software CMMI	Two days
46.	Machine Maintenance	One day
47.	Quality Function Deployment	One day
48.	Geometrical Dimensioning and Tolerance [GD&T]	Two days
49.	Measurement Uncertainty	One day
50.	Product, Process & System Audit	One day
51.	Value Engineering	One day
52.	Value Analysis	One day
53.	Value Stream Mapping	One day
54.	Vendor Management Skills	Two days
54.	Calibration	Two days
55.	Validation	Two days
56.	Overview of Lean Manufacturing	One day
57.	Cycle Time Reduction	One day
58.	Productivity Improvement	One day
59.	Waste Elimination (3 M & 7wastes)	One day
60.	Purchase Management	One day
61.	Inventory Management	One day
62.	Personal Protective Equipment [PPE]	One day
63.	Industrial Safety Trainings	One day
64.	Lean Manufacturing Awareness along with lean tools	Two days
65.	Process Capability	Two days

Zero Defect Consultants

Quality & Performance Improvement Consultancy

Since 2001

Sr. No.	TOPIC	DURATION
66.	Reliability Engineering	One day
67.	Confidence Building	One day
68.	Customer Relationship Management	One day
69.	Customer Focus	One day
70.	Marketing	One day
71.	Performance Management	One day
72.	Staff Motivation	One day
73.	Successful Client Relationships	One day
74.	Change Management	One day
75.	Demand Management & Planning	One day
76.	Key Management Skills	One day
77.	Advanced Quality Systems	Five days
78.	Accountability and Ownership	One day
79.	Setting Objectives	One day
80.	Confined Space Training – Safety Training	One/ Half day
81.	Heat Stress – Safety Training	One/ Half day
82.	Mobile Equipment – Safety Training	One/ Half day
83.	Lockout / Tag out (LOTO) – Safety Training	One/ Half day
84.	Chemical Handling Safety – Safety Training	One/ Half day
85.	Electrical Safety & Fall Protection – Safety Training	One/ Half day
86.	Working at Heights – Safety Training	One/ Half day
87.	Behavioural Safety	One/ Half day
88.	Drawing Reading	One day
89.	Industrial Ergonomics	Half day
90.	Geometrical Product Design	Four days
91.	Daily Works Management	One day
92.	Energy conservation methods	One day

We can also design special trainings as per the customer's requirement.
